

WHEN IT'S TIME FOR USDA FOOD ORDERS —

# CHOOSE THE *better* blueberry.

The USDA Foods list will offer you two types of blueberries—wild or ordinary. Maximize your USDA Foods funds by selecting *wild* blueberries. They offer **25% more half-cup servings** in a 30-pound case than the ordinary blueberries. Plus, wild blueberries are tasty, nutritious, and versatile. Your kids will love them!

**33%** MORE  
ANTHOCYANINS

**2×** THE  
ANTIOXIDANTS

**72%**  
MORE FIBER

**32%**  
LESS SUGAR

CHOOSE FROM THESE TWO  
IQF *wild* BLUEBERRY OPTIONS:

**USDA Foods #100242**, a convenient **eight (8)**  
**3-pound bags** each with 22.5 half-cup servings.

**USDA Foods #100243** for a **30-pound case**.
